The Passion and The Work – Coretón

It is clear in the true sense of the word that the enlightened ones of our world are the ones who are connecting the dots and coming up with the ideas for a new and better world. They are the ones who are truly seeing the interconnectedness of all things and understanding the need for change. Their work is essential for creating a sustainable future.

Green Broad Ripple: Annual Meeting

The Green Broad Ripple (GBR) Restaurant Group on delicious and healthy food. Jeff Tinsley, Executive Director of the Green Broad Ripple Community Foundation, was the perfect choice to speak about the importance of maintaining our environment. He emphasized the need for everyone to take action and be part of the solution. The presentation was re-edited by Cortellini.

Member’s Gathering

Save the Date! It’s time to Spring into Green!

Member’s Gathering

GBR held its first annual ReNature Your Christmas Tree a few years ago. We had an idea and decided to do something about it. It was a success and we started doing it every year. This year, we were able to collect approximately 18,000 trees. We had a lot of help from our volunteers and members. We had a great turnout and raised money for a good cause.

ReNature Your Christmas Tree

Green Broad Ripple held its third annual ReNature Your Christmas Tree. This annual event was made possible by the hard work of our volunteers and members. We were able to collect approximately 18,000 trees. We had a lot of help from our volunteers and members. We had a great turnout and raised money for a good cause.

Wildlife Habitat – Candace

Did you know that the Natural Wildlife Foundation is a nonprofit organization dedicated to the protection of natural wildlife habitats? It is not just a threat to sensitive habitats and species, the concept of not being in control of your own space can be very frightening. The Natural Wildlife Foundation is working hard to protect natural habitats and species.
